FOR IMMEDIATE RELEASE

**TANDEL SYSTEMS ADDS EXECUTIVE EXPERIENCE IN
AEROSPACE AND INDUSTRIAL AUTOMATION TO BOARD OF DIRECTORS**

Clearwater FL, January 23, 2007 – Tandel Systems is pleased to announce the addition of Mr. Lee Williams to the Tandel Systems Board of Directors and as the first member of the new Tandel Systems Advisory Board. Mr. Williams will play a significant role in advancing Tandel Systems' defense and aerospace business base and will open new opportunities for Tandel Systems in the industrial automation markets. Mr. Williams comes to Tandel Systems after a very successful career as an executive for Honeywell. Mr. Williams' last position was with Honeywell's Space Systems Division as Vice President and General Manager. Previously Mr. Williams served as Vice President of Honeywell's Industrial Automation and Control business in Europe, the Middle East & Africa. Mr. Williams brings a wealth of executive experience, important relationships, and domestic and international experience to support Tandel Systems' growth plans and strategies.

About Tandel Systems, Inc.

Tandel Systems, Inc., (Tandel) is a leading Aerospace and Defense engineering solutions company headquartered in Clearwater, Florida. Founded in 2001, Tandel provides high end engineering talent in the areas of systems design, development and testing on both an individual consulting and a managed project basis.
